

1. Does your Trust have a Standard Operating Procedure - also referred to as a PSFU Protocol that covers the PSFU pathway for breast cancer?

Yes	X
No	
Don't Know	

If yes, please share your current, or most recent, version of this Standard Operating Procedure/PSFU Protocol.

2. Are all hospitals that form part of your Trust following the processes set out in the Standard Operating Procedure/PSFU Protocol for breast cancer?

Yes	X
No	
Don't Know	

Protocol of each hospital in the Trust

- a) A PIFU pathway
- b) A Routine Follow Up pathway

If you can provide the figures split between the age under 45 category and age 45 and over category that would be useful but if the information is not readily available by age, please provide for all ages combined.

	9 } ( %o Ÿ v š •					
	2022023			202324		
	Under 45	45 and over	All ages	Under 45	45 and over	All ages
PIFU			167 patients			251 patients
Z } μ Ÿ v Follow Up						

We cannot provide this information as although we know all breast cancer patients on a PIFU pathway are

8. If a parent wants

Rarely	
--------	--

If any patients have a difference to the standard time limit, please detail and explain in what circumstances this occurs and the range of time limits?

11. When it is time for a breast cancer patient to be discharged from PSFU, do they receive any notification of this, e.g. by letter or phone call?

Yes

they receive a discharge letter following their 5<sup>th</sup> and final mammogram (or their final mamms1) à 0
